Accessories, Equipment and Materials

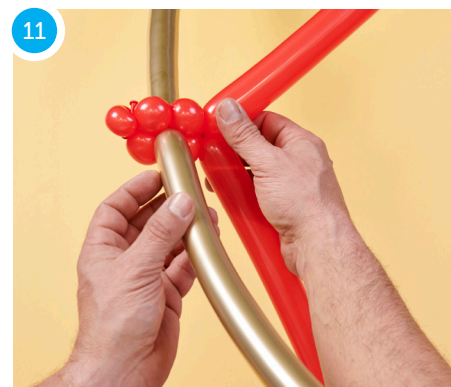

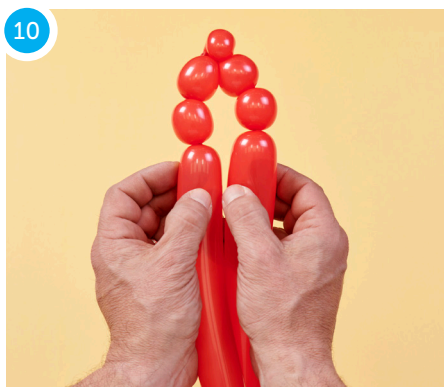

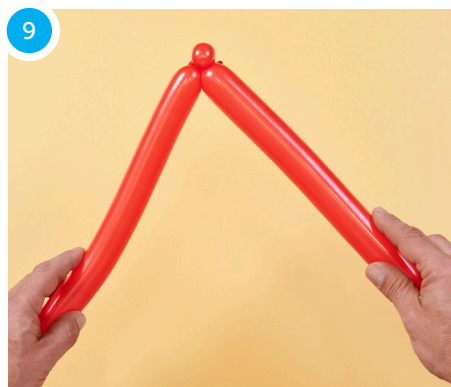

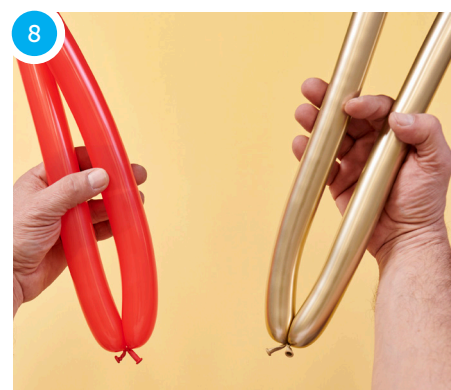

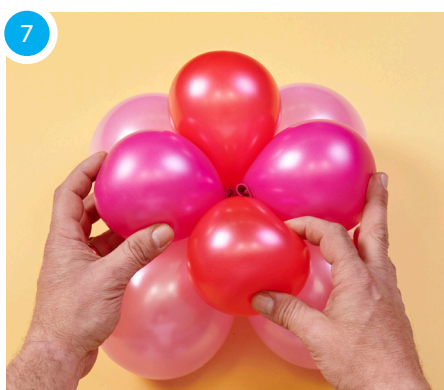

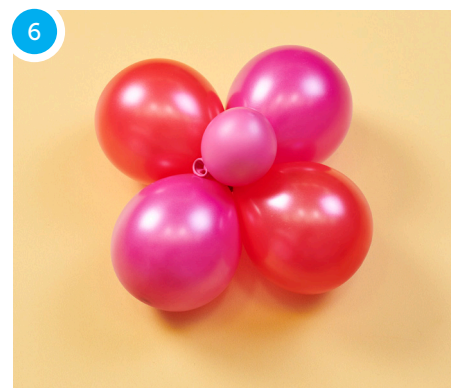

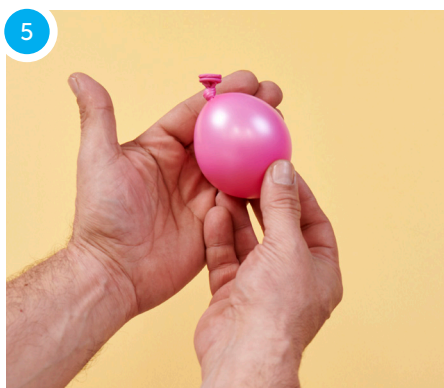

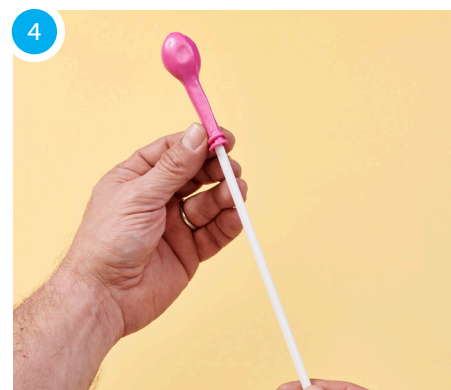

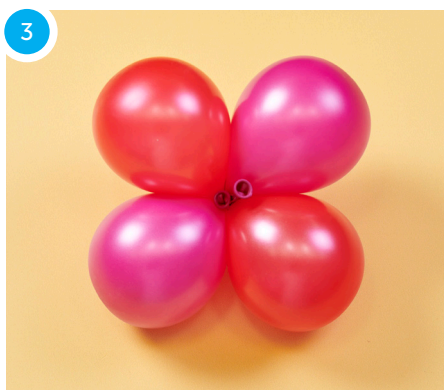

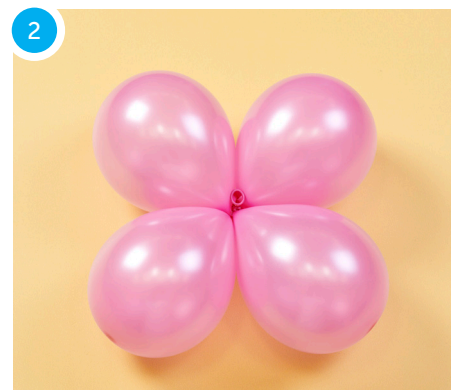

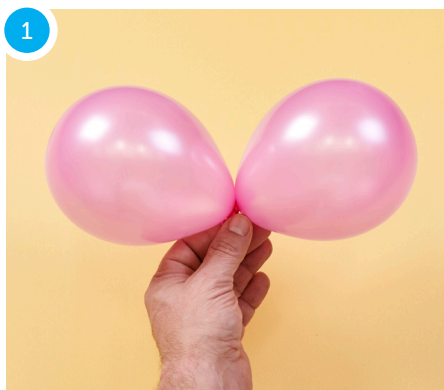

1. Scissors
2. Pump
3. Balloon stick
4. Ribbon
5. Helium gas
6. Balloon sizer

Instructions

1. Inflate two **Rose A** balloons to 12 cm.
2. Repeat the same step to create a group of four.
3. Make a group of four balloons formed of two **Fuchsia B** balloons and two **Red C** balloons inflated to 8 cm.
4. Use a balloon stick to insert a **Rose A** balloon inside another **Rose A** balloon.
5. Make a water-filled weight.
6. Tie the water-filled weight to the group of four smaller balloons.
7. Join the two groups of four balloons with a twist to the water-filled weight to create the base.
8. Inflate and tie together two **Red D** balloons and two **Shiny Gold E** balloons.
9. Make a pinch twist on the pair of **Red D** balloons.
10. Make two bubbles on each **Red D** balloon.
11. Insert two **Shiny Gold E** balloons and close the second bubbles.

Instructions

12. Make a 5 cm segment on one **Shiny Gold E** balloon and a 3 cm segment on the other **Shiny Gold E** balloon and join them together.
13. Make two bubbles on each **Red D** balloon and join them together.
14. Continue by making another two sections with the **Shiny Gold E** balloons and the **Red D** balloons.
15. Make another two sections with the **Shiny Gold E** balloons, with segments of the same size, and cut off the excess part of the balloons.
16. Make two bubbles on each **Red D** balloon and join them with a twist, then make a pinch twist and cut off the excess part of the balloons.
17. Make a second element.
18. Join the two elements by making a twist on the pinch twists.
19. Use the necks of the round balloons to attach the heart to the base.
20. Inflate an **I Love You Script** balloon with helium gas.
21. Attach the **I Love You Script** balloon to the base with the tape.
22. Sculpture completed.
