## Accessories, Equipment and Materials

1. D4 pump
2. Scissors
3. Balloon stick
4. Drops of glue
5. Tulle bows
6. Decorative ribbon

1. Insert a **Red A** balloon into a balloon of the same colour.
2. Fill the internal balloon with water to make a weight.

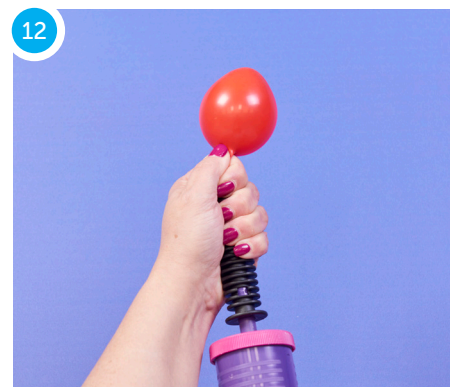

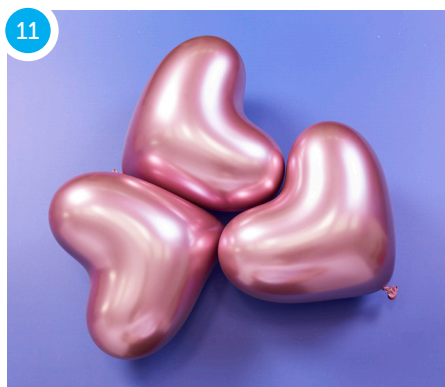

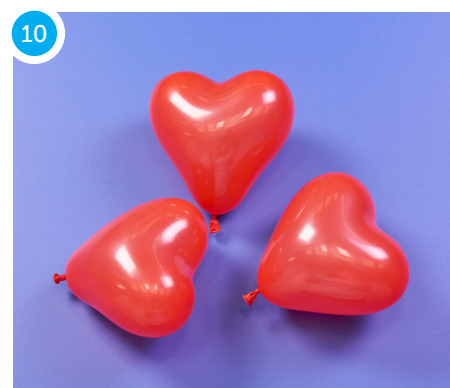

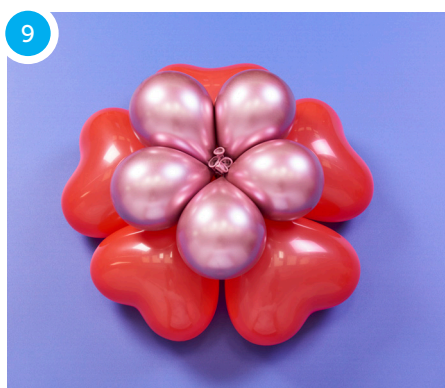

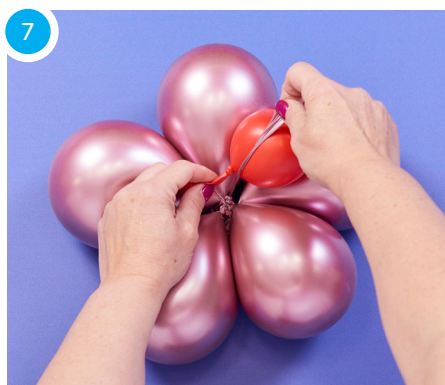

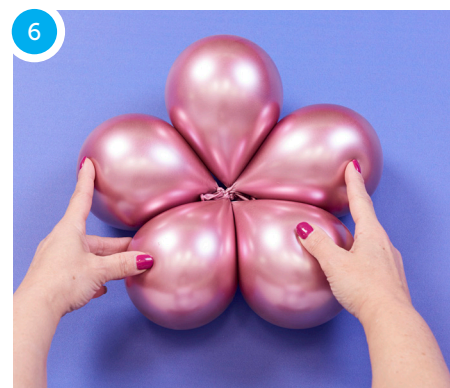

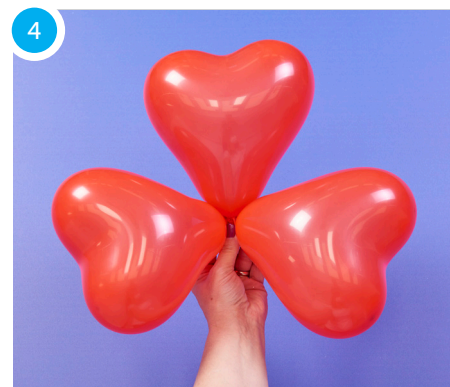

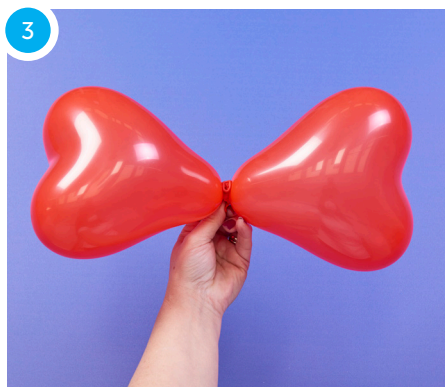

## Instructions

3. Inflate two **Red B** balloons and make a pair.
4. Make another group of three balloons.
5. Join the group of three to the pair to make a group of five **Red B** balloons.
6. Make a group of five **Shiny Pink C** balloons inflated to around 10cm.
7. Tie the water-filled weight to the group of five balloons with a knot.
8. Join the group of five **Red B** balloons to the group of **Shiny Pink C** balloons with a twist.
9. Base completed.
10. Inflate three **Red B** balloons.
11. Inflate three **Shiny Pink D** balloons.
12. Slightly inflate a **Red A** balloon.

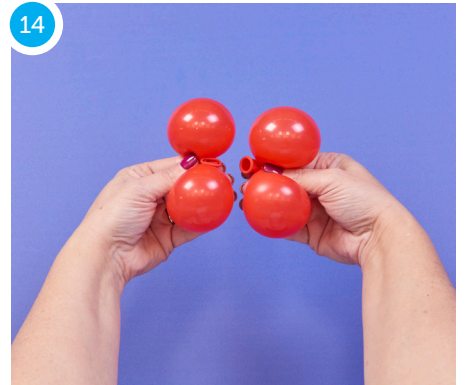

## Instructions

13. Divide the balloon with twists.
14. Repeat the step to create two pairs.
15. Join the two pairs to create a quartet.
16. Make a second element.
17. Attach the **Shiny Pink D** balloon to the base with drops of glue.
18. Attach a second **Red B** balloon with drops of glue to the **Shiny Pink D** balloon.
19. Continue attaching the other hearts.
20. Attach the groups of four **Red A** balloons to the base with drops of glue.
21. Decorate the sculpture with bows and ribbon.
22. Sculpture completed.
